POSITION: **Junior Architectural Designer**
(Positions are for Fulltime Employment)

EXPERIENCE: 0-3 years

JOB DESCRIPTION: The candidates we are seeking will have completed multiple architectural internships. At least 1 year of full-time experience is preferred. As Junior Architectural Designer, you will be working under a Senior Architectural Designer, Project Manager, and Project Architect producing design documents and deliverables throughout all phases of design. Production work will require fundamental capabilities in **Revit** Architecture. Candidates should have strong portfolios of **completed** work, if possible, that communicates a high level of understanding and potential for architectural design. Experience with 3D programs using Enscape is desired.

Requirements:

- Bachelor's or Master's Degree In Architecture
- Fundamental skills in Autodesk Revit Architecture
- Familiarity with Microsoft Office (Excel, Word, Outlook)

SALARY/BENEFITS: Salary will be based on experience. Benefits currently include Healthcare (Medical, Dental, and Vision).

Eligible candidates should submit a resume, with work samples, to info@alloy5.com. File sizes should not exceed 5 MB.

ALLOY5 is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, age, genetic information, sexual orientation, status as a protected veteran or status as a qualified individual with a disability, or any other characteristic protected by applicable Federal, State or Local Law.
